UNEASY MARKET
SAGS DURING DAY
OF LIGHT TRADING

Fluctuation in War Group
Stocks Is Slight With Small
Losses. Utah Copper Sales
Are Large.

(BY MORNING JOURNAL SPECIAL LEASED WIRE)
New York, Oct. 23.—Professional
interests again dominated the stock
market. Conflicting and shifting de-
velopments bearing upon intrinsic
values found further reflection in the
lower trend of prices.

Sentiment was perceptibly encour-
aged at the outset by the news that
the Interstate Commerce commission
had decided to reopen the hearing of
the eastern railroads for higher freight
rates. Shares of that particular di-
vision made easy gains of one to two
points but shaded upon renewal of
pressure elsewhere.

Utilities displayed weakness at ex-
treme recessions of two to four
points. This invited selling of more
stable issues, and the general group
of war issues forfeiting one to
three point advances.

In the last half of the session,
when the list evidenced some dispo-
sition to rally, prices received another
sharp reversal. Union Pacific made a
net decline of 2 1/2 points to 120 1/2.

United States Steel fluctuated be-
tween 106 and 104 1/2, finishing at
105, a net loss of the smallest frac-
tion.

Most of the other steels moved in
the same narrow groove.

Metals were held back by the heav-
iness in Utah Copper, which lost all
its recent recovery. Sales, 750,000
shares.

Liberty 3 1/2's fluctuated the irregu-
lar bond market on their steady ab-
sorption between 98 1/2 and 99 1/2.

Total bond sales, \$7,150,000. United
States coupon 2's declined 1/2 per cent
on call.

CHICAGO BOARD OF TRADE.

Chicago, Oct. 23.—Expected new
restraints upon any ballooning of
prices had a decidedly unsettling ef-
fect today in the corn market. Prices
tumbled, then rebounded and later
fell again. The close was nervous at
\$1.15 1/4 @ 1/2 December and \$1.19 1/4 @

1/4 May—1 1/4 c off to 1/2 c up compared
with yesterday's finish. Oats lost 1/4
to 1/2 c. In provisions the out-
come varied from unchanged figures
to \$1.20 decline.

Belief that owing to temporary
scarcity in elevators here the board
of trade directors would formally pro-
hibit all new business in corn con-
tracts that implied December deliv-
ery at Chicago led to much general
selling of corn. Many of the shorts
overreached themselves, as attempts
to even up trades caused a swift up-
ward swing that for the most part
however, was not maintained.

Smallness of rural offerings kept
oats relatively steady.

Provisions gave way under scatter-
ed selling when the market was bare
of support. Pork suffered the sharp-
est break. Later something of a rally
developed as a result of stockyard
buying.
